## JANUARY LUNCHEON SPEAKER—BILL HENRY

Bill Henry was raised in Missouri. Bill attended college and was allowed to finish his final semester even though his draft lottery number was 8. Upon graduation he went into the army and after boot camp at Ft. Leonard Wood and AIT in Ft. Ord, off to Vietnam he went. Bill was assigned to A Troop, 1/9 of the 1st Cavalry Division. The first six months in country Bill went on a number of harrowing missions which included rappelling into hot landing zones and securing perimeters around downed helicopters. A boring day could suddenly turn into green tracers flying past your head and the thump of rounds hitting the helicopter that you're in. Bill lived through many events of this nature and after the 1st Cav rotated back to the states, he was transferred to an office job further south that allowed him to in his words, "get house-broke again" before returning stateside.

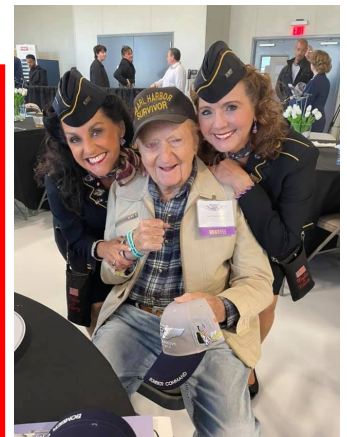

### Dale Robinson will celebrate his 100th Birthday on January 12th!

Dale served in the Army from 1940-1945.

Dale was stationed at Schofield Barracks with the 35th Regiment, 25th Infantry Division on December 7th. He survived the attack on Pearl Harbor and later he went ashore in Normandy in the days after the initial landing.
