LUNCHEON—Friday, January 26th

The January luncheon will be in 3 parts.

Part 1: The Presentation of the French Legion of Merit to WWII Veteran and Roll Call member Vernon Mitchell. We will have representatives from France with us to make the presentation.

Part 2: The reading of the Vietnam Commemoration Certificate and presentation of pins to those who have not yet been pinned. After, we would like all Vietnam Era Veterans to gather for a group picture.

Part 3: Close out of Operation Paul Swartz with Mike Reppert.

As you can see, this will be a busy luncheon! We will be making a few changes in how we enter the hall this month as well. To ensure those who did RSVP have a seat, the official check in will be at the entrance to the hall in the lobby by the restrooms. All those coming in (veterans, family, friends, visitors, and volunteers) must be registered and check-in. Nametags will still be picked up in the other building. If you do not receive a nametag or have a shirt with your information on it, no need to stop in there.

Those not on the RSVP list will be asked to wait until 1125 to be let in if there are seats available. We have just had too many without a seat who did RSVP because they were taken by those who didn't. To aid, I've attached a copy of the RSVP list for you to check.

UPCOMING LUNCHEON

February—Don Graves, WWII, IWO Jima

March—Shiloh Harris, Operation Iraqi Freedom

April—Allen West, Tentative

As a reminder: Only service animals may be brought into the luncheon.

For those Vietnam Era Veterans who wish to be pinned at the luncheon, please email us with your name at info@roll-call.org.

Have you ever considered learning how to operate a Ham Radio? In the days and times we live it might not be a bad idea to know how. It has also been shown to be of benefit to those who suffer from PTSD. Our very own Rex King has offered to hold some weekend classes to allow members to get qualified. Please let us know if you are interested by emailing info@roll-call.org so we can connect you to Rex.

The Veterans Breakfast Club (not to be confused with the monthly gathering Bethany Harrell is hosting) is a national organization that puts on online events that our members can join. In addition, they send their magazine to our birthday lists. Check them out online to see if there is an event you are interested in! They might even put you on the air!
